Price: 10800.00 USD

**Description:** 

For more pictures email at: linettelddesotel@cafeuk.com . This is a beautiful 1988 BMW M6! I read that there is only 319 of these made for the United States. This car is garage kept and not driven in bad weather. I can find nothing wrong with this car. I tried all the buttons and there is no warning lights on. The car fired right up after sitting all winter long under a cover. The engine is a 24 valve six cylinder that BMW says produces 256 hp and has top speed of 158 miles an hour. This car has the optional rear seat cooler and the leather interior is in great shape for its age. The exterior is in great shape with most of its original paint from what I can tell. The tires are good and the transmission shifts I...
