If you have more questions or want more details please email : russelrwillow@topaddress.com . 2008 Z06 with 3LZ package. Basically a show car driven on weekends and never in the rain. Always garaged. Has the very rare and was told 1 year only option of DVD in Nav screen, \$1750.00 option. All books,owners manuals,CD`s, both keys.Everything works as new, next to immaculate. The bad: Let adult relative take it to the store, made it as far as neighbors mailbox, bumper,headlight,passenger fender and hood have been replaced with genuine GM parts including carbon fiber fender and painted by professional shop. Paint and body gaps are like new. Being honest here because you could never tell. Still a show car.
