Address: New Kingston, New York, United States

Price: Check with seller

Description:

Eco Smart bags are unscented, and eco-friendly premium trash bags. Our ESB line has benefits such as biodegradability and composability in 1 to 7 years. In addition, the rip-proof strength and natural ingredients exemplify the highest quality standard. 1. Our Eco Smart bags have an infinite shelf life, which no other eco-friendly company can claim 2. Unlike our competitors, moisture, light, nor heat change the structure of the bag, thus ensuring consistent quality without regard to shelf life 3. Typical compost time is 4 to 7 months 4. All ingredients meet GRAS guidelines Contact Information: ECOsmartplastics Web Site: <http://www.homedepot.com/p/ECOSMARTBAGS-33-Gal-Large-Trash-Bag-10-Count-6-Boxes-of-10-ESB0001...>
