**Description:** 

Please message me with questions at: deliadmmorguson@ukschool.com . This is the Ultimate Hummer, I sent it to Predator Motorsports in CA last year and about \$80,000 latter its a true beast, 500 + HP Duramax, Allison auto, and the entire suspension was upgraded, basically they lifted the body off and put everything new on the drive train, brakes, axles, springs, everything. I have attached some pics and some of the receipts for the work they did but feel free to call Garret at Predator and ask him about the truck, his own words were, " After reviewing the order and the truck from when it was at our facility this truck would come in at a value of \$145,000. This is due to the custom paint job and custom interior o...
