Description:

E-Mail Questions at: verlavlloil@heartsfans.com . I MAY CONSIDER SOME TRADES I am selling my 2009 Orange Dodge Challenger SRT-8 The car has 8k miles and in mint condition. I bought the car when it had 400 miles on it and sent it straight to Arrington Racing and had it built. The car is loaded with every option but sunroof, it does have factory Nav. The car is perfect in every way. It can be driven daily or across the country with out any problem. I am only selling it because I am thinking of building my other toy. This car will run in the 9 second quarter mile at around 135 mph. Arrington 426 Billet Main Caps ARP Main Studs, Cross Bolts, and Head Studs Pro Charger F1 13psi with all Custom Done Pipes and Larger ...
