Description:

1953 Pontiac Catalina I will be listing a few cars here in the next week or two for my family. We are reducing are number of cars, so please see my other listings as well. I am not a dealer. Just a beautiful original car that has been well cared for by the previous owners. Only 56,787 miles and has been restored as needed for driving and car shows. We had plans to drive and show this car on a regular basis, but sometimes life has other plans, and we have decided to sell it to someone who we hope will give it a good home. I believe this will be both a fun car and a great investment for the next owner! I am a big fan of this body style and this particular car. I hope to see it go to a good Pontiac home! This part...
