Description:

This is a fully loaded 2012 BMW 535i for sale. I'm the second owner of this absolutely amazing car that is in excellent condition with a clean title in hand ready for the new owner. The car currently has 47,235 miles and is still under all BMW warranties until May 2016. It is a 6 cylinder 3.0L Turbo engine with an 8 speed semi-automatic transmission. These are the original factory warranties where BMW will repair and maintain the car without any cost to you for the duration of the warranties. The BMW Efficientdynamics makes it easy to consistently get 25 mpg in mixed driving and 38 mpg on the highway. There is a service coming up in about 3,000 miles that is covered under warranty if you take it in before the e...
