Description:

35K original miles, Car runs and drives great, very nice custom built air ride suspension, accuair with elevel, new billet wheels, over drive transmission, power steering, power brakes, ready to show and cruise! Motor: Original 264 V8 nail head motor runs great, starts right up every time, doesn't smoke, and has good oil pressure. 34,955 miles on car and its original motor. Carb is freshly rebuilt, all new gaskets, floats adjusted, jets cleaned, etc. Gas pedal starter still functions correctly. Car barley leaks anything, maybe a quarter size drop of oil after a few days. Original paint and decals on motor look great for original. New plugs, new wires, recent petronix electronic ignition, cap, rotor, and coil. (...)
