Description:

I am selling my 2014 Jeep Wrangler Unlimited Rubicon JK. I bought the Jeep brand new in 2014 completely stock. The Jeep was fully loaded from the factory with almost every option except leather seats. The jk is low millage (9,000) and very well maintained. The jeep has been modified with high quality parts. All of the armor has been powder coated a semi-gloss black. The axles are completely stock Dana 44's with 4.10 gears and factory e-lockers. The jeep has been taken off-road and has some rock rash and a small dent in right rear quarter panel. The jeep has never been "mudding" and is very clean inside and out. The only reason I'm selling is because I'm gonna build a dedicated off-road buggy. Parts list: Rock K...
