Description:

I am Selling my Car Because I have decided to purchase a new GT350. Ive had the car for about a year now being my 3rd Supercharged mustang and 4th mustang overall. The exterior is all stock except for the Grill Delete. Its never been driven in the rain, always garage kept, never smoked in, never seen a track, and the vehicle is absolutely spotless. It has 2300 miles (400 miles with the kit) on it along with the factory tires with plenty of tread left and its in brand new condition. The pictures were taken with my iphone and I can send a lot more if needed. Not a crease in the seats, not a scratch on the paint or anything. not going to find another GT in this shape unless its brand new. Here are the Specs. Facto...
