Description:

Up for sale is a 1968 Pontiac Firebird 400 in excellent condition. Much of the car has been professionally restored with receipts. The odometer reads 63,000 miles. It has the desirable 400cc motor and convertible top with a 4 speed manual transmission. Some notable features are the chrome air cleaner, dual exhausts, hood scoops, original radio, power steering, hood mounted gauges, and power convertible top. The motor, transmission, and body all have matching VIN numbers. I have the original paperwork from the factory that also matches all VIN numbers. This car has been garaged and babied in California. Please let me know if you have any questions. Thank you!
