Contact: Phyliss

Phone:

Address: St John Drive, Mead, Colorado, United States

Price: 12400.00 USD

Description:

This is a great car! It's a commuter that has averaged 29 mpg on the highway ... even low 30's on road trips. It's time to get something that holds more, which is the only reason we're parting ways. It has lots of nice features: heated leather seats (front and back), NAV, Sirius, heated mirrors, rear-view camera, downhill assist, cruise control, keyless entry and start, sunroof, blind spot indicator, power liftgate, power windows and locks, bluetooth/handsfree, and dual temperature control.
