Description:

2006 Porsche 911 Carrera 4S. This car has always been garage kept, immaculately maintained and driven just on very selected weekends. This vehicle is bone stock and the only aftermarket upgrade that I have done to it is to install Factory Navigation and 19" Avante Garde wheels, new TPMS and Continental Extreme Contact Tires. This new setup is extremely classy and gives the car much fresher and beefier look! The wheels and tires have less than 200 miles on them. The original Factory Wheels and Tires are also included with this Sale. The car comes complete with all of its manuals and 2 keys. Optional Equipment: -Air Conditioning -Dual Zone Climate Control -Power Steering -Power Door Locks -Leather Steering Wheel ...
