Price: 18200.00 USD

Description:

I am listing my favorite truck I have ever owned in order to downsize and put money towards building a house. Only reasonable offers will be considered. I will post additional photos when this rain clears off if it is still available. This truck is a 2013 F150 4x4 XLT Texas Edition with only 33k miles on it. It is in excellent condition inside and out. The interior is near perfect and has grey cloth seats with no rips or tears. The exterior is also in great condition and has never been in any kind of wreck or needed any work. The rims are 20" fuel rims, and the chrome is chipping slightly on them which you can tell when you are looking for it, but not at a distance. They are wrapped in 35" Toyo M/T tires which ...
