Description:

The interior is like new. The only area that shows wear is the driver side seat bolster which is typical of all 997 Porsche seats. I have minimized this wear by routinely treating this surface with leather conditioner. The passenger seat is nearly flawless. The rest of the interior is exceptionally clean and well maintained. In fact, it still smells like new leather inside. I don't smoke and I haven't put any pets in the car. Mechanical: Factory warranty through July of 2016! The car runs impeccably. There are still several months of factory warranty on the car so prior to listing the car for sale, I took it to the dealer to make sure there was nothing that needed work. It came back with no issues to report. Ex...
