Description:

I am selling my lightly used 2015 Jeep JK because I moved from Texas to Vermont about a month ago with my job, and regrettably find myself in need of a truck and soon a snow plow. I refuse to put a plow on my JK and would rather sell her. I purchased the Jeep new in El Paso, Texas about one year ago and had some modifications done about 6 months ago. I had a 2.5 inch Teraflex coil and shock lift installed and purchased a set plus spare of Ultra matte black wheels with 35" BF Goodrich KO2 all-terrain tires. I also installed a set of Smittybuilt matte black rock sliders. I also purchased a Superchip flash cal which will be included. All of the modifications have about 6,000 miles on them to include the tires. Th...
