Description:

For sale is my Dark Green 2012 Jeep Wrangler Unlimited Rubicon. It has 71,XXX miles on it. I drive it regularly, so the miles will go up slightly. 4.5" AEV lift with Terraflex shocks on the corners, and a Fox 2.0 steering stabilizer. Terraflex speedbump bump stops. American racing 17" teflon wheels with 37" BFG Krawler tires with 10k miles on them. These are \$2,500+ tires that have plenty of miles left on them. This is a top of the line lift, a great set up for off road, or mall crawling. Poison Spider Skid Plates throughout along with front & rear diff covers, and oil pan cover. Front and Rear Expedition One Bumpers, with tire carrier on the rear- \$1,100 Each. Terraflex rockers- some scratches shown in pics fr...
