Description:

This wonderful car has been lovingly cared for, is in excellent condition, and has always been garaged. The seats are like new, and it has a very clean interior. The floor mats that came with the car have never been used, as I installed rubber mats to protect the carpeting. This vehicle has Autopilot and Traffic Aware Cruise Control which greatly increases its safety. It is also makes driving more relaxing, though you will certainly want to drive it yourself at times, as it is so much fun with its incredible acceleration and great handling. This vehicle also has free, unlimited lifetime Supercharging, something that new vehicles no longer have available. Options and features include the subzero weather package,...
