Description:

2013 Ford SVT SuperCrew Raptor This is one of the most well taken care of and lowest mileage 2013's It has always been kept in a climate controlled garage and was driven on the weekends. The 2013's come standard with the better TORSEN® front differential and the big 6.2l engine. The options added to this Raptor are listed below: Equipment Group 801A - \$4760 Power Moonroof - \$995 Box Side Graphics - \$1075 Hood Graphics - \$900 Bed Extender - \$250 17" Forged Beadlock Compatible Wheels - \$1165 Front & Rear Camera System - \$525 I can't say enough nice things about this truck. It's been a pleasure to drive though I never took it off-road to see its true capability. Living in Macon, GA the air conditioned seats were ve...
