Description:

2009 Ford F-150 XLT "Ford's" Custom SEMA Show Truck You're looking at a very special truck here. This Ultra Low Mileage (2095 Actual Miles) F-150 was commission by Ford Motor Company and built by Ground Force for the 2009 SEMA Show. This Truck was built for the Ford Motor Company to be unveiled at the 2009 SEMA Show to display the new body style. The PPG Liquid Silver Metallic Flat paint gives the impression the truck was cut out of pure billet aluminum. This truck was a showstopper at SEMA during its debut and has been at countless car events and shows across the country where it was a crowd pleaser at every event. It has been featured at the SEMA twice. With a very low serial number, this was one of the first...
