Description:

Tower Residential Design is an architectural & structural design studio based in Sussex, United Kingdom. <http://www.designtrc.com> We provide drawings to Architect Practices, Builders, Civil Engineers, Developers, Surveyors and any other professionals within the Construction Industry. We also provide architectural drawings to Self-builder and to the Householder who wishes to extend, renovate or build a new home. We work for both commercial and residential clients on projects located across Australia, Brazil, Canada, USA and UK. Our team is specialised in preparing architectural drawings such as: Classical, Contemporary, French, Victorian and Scandinavian Styles. Tower Residential Design complies with IRC / ICC B...
