Description:

2010 Nissan Maxima SV in very good condition 80,800 miles 3.5 Liter V6 290hp fwd. The gold preferred warranty is good until 105,566 miles or July 2, 2019. Covers all major components. You can review the the 2000+ components covered on the Nissan Security Plus on there website. Great peace of mind when buying a used car. Normal wear and tear on body. There are minor dings and dents which you would expect to see from a 6 year old car in New York. With the exception of a small rust spot on the trunk of the car other than that the car body is in great shape. Just put 2 new front tires at 79,388 which were balanced. This car was my daily driver(mostly highway for work). Very reliable and no major issues to speak of....
