Description:

1968 Mercedes Benz 280SE Cabriolet Conversion This 280se started life as a Coupe and was expertly converted to a Cabriolet. The Conversion appears to have been executed using original Mercedes Benz parts. (The previous owner stated the Conversion was done in Germany during the 1970's but there is no documentation to support the claim.) I have a 280se Cabriolet (not for sale) in my personal car collection. I parked the cars side by side and hard a hard time distinguishing much, if any, difference. In the past week, I personally drove (and photographed) this 280se for over 100 miles. This past Mother's Day, my family took this 280se to Church and then lunch up A1A, along the Florida Coast. The 280se was a joy to ...
