Description:

This is a original real Cutlass SX, it is the SX 455 Registry and is a numbers matching car, motor trans and rear. I will tell you the car drives amazing and would not hesitate to drive this any where. I will list the things that it still needs and the things that are already done so far. The vehicle shows 74100 miles on it and last titled in 2010 with 63158 on a Pa title, not sure if it is a original 74100 miles but wanted to state what the car and title show. The 455 was rebuilt 2200 miles ago at a cost of \$6100, at that time the intake was changed to a 4 barrel elderbrock carb. The car has a great sound to it which makes me believe the cam was stepped up a little, car has stock manifolds and again sounds ama...
