Description:

1990 348 TS. Fly Yellow/tan. Clean Carfax, 5 owners. I bought the car 3 years ago out of IL and used the car about 1500-2000 miles since. Only reason I've used it so little is I have many other toys in the garage and my driving season is about 5 months long. Here is candid description of the car The car DOES NOT have service records of any kind. The PO told me the car was serviced at 30k miles, but I could never find any proof of that searching the cars history, thus consider the car to be in need of/updated engine out service Car also needs some cosmetic issues addressed. Drivers front fender has very small crease/dent in it that someone tried to buff out but buffed through the paint hence some discoloration o...
