**Description:**

Clean title, two owner car with the second owner having had it since 1995. Everything is there on the car and it could make a great driver, or a minor restoration. To make the transaction as effortless as possible for the next owner, i've included as much information as possible. Mechanicals: Strong healthy S14 with 1-190-2%, 2-190-2%, 3-200-1%, 4-190-1% compression numbers across the board on cold engine. Water pump replaced 100 miles ago, with cooling system refresh in 2014. Car has a stage 3 clutch, so the clutch release is rather on the heavy side. In addition to that, it required a bit of effort to get the car into first gear. Suspension/Wheels: Has Bilstein Sport shocks and white lowering springs (H&R?). ...
