Address: Lynchburg, Virginia, United States

Price: 60.00 USD

Description:

I have 18 vintage wood arrows leather quiver. Some have field/practice tips some with broadheads and 2 with nothing. All are in used condition but seem to be in good shape. Please look at the pictures closely. I'm not a hunter and don't know a lot about arrows but the feathers seem to be in good shape. Arrows are 28" to 32" in total length. price is negotiable
