Description:

A beautiful, well maintained, air cooled 911. No accident history. All panels appear to be original paint. Targa top is in great condition, fits tight and the liner looks like new. All 4 wheels are OEM Fuchs in great shape with factory wheel locks and no curb rash or damage, and are shod with matching Michelin tires that have 8/32's or more tread remaining. The car runs and drives great with correct oil pressure at all engine temps and rpm. Transmission shifts smoothly and the clutch engages correctly with not chattering or slack. A/C is ice cold. Engine is dry and looks great. All engine fittings look like new. Porsche tool kit, manuals (not original to car), factory car cover and certificate of authenticity all...
