Description:

Up for Sale I have a 1999 Honda Civic Si Em1 with 53,262 Original miles, As you can see from the pictures the car is damn near Flawless and everything was professionally modified and runs fantastic. The previous owner purchased this car in the year 2000 with 23,246 miles on it from the dealer and owned it until 2012, When I purchased it with 51,675 miles (have paperwork) I have owned this car for a little over 4 years and have only put 1,587 miles on it. It has been babied, garaged kept washed & waxed regularly and has NEVER been driven in the snow,rain or any inclement weather. The car is very fast the sound system is awesome and the car is gorgeous inside and out, you could literally eat off the engine, Every...
