Address: Big Bend, Wisconsin, United States

Price: 650.00 USD

**Description:** 

When it comes to efficiency and beautifully crafted top quality wood stoves Vermont Casting says it all. Heavily built for fire and clearly over-built to last is this stunning Intrepid #1. Barely ever used, it is just like new! Although the INTREPID #1 is one of Vermont Casting's smaller stoves it is certainly no slough when it comes to providing heat! This small size beauty is a rare and original EPA/UL safety approved Vermont Casting Intrepid #1 wood stove made in 1983 in Randolph VT. # 29843. with beautifully embossed This is an extremely efficient, non-catalytic, all cast iron {250+ Lbs }, high quality USA made highly sought after and collectable wood stove. Not one single issue. Top and front loading featu...
