Description:

Available for sale is a rare opportunity for any Mustang Collector or someone who just wants a fun car to take cruising or attend the local car shows. This is a 2002 Ford Mustang GT S2 Sean Hyland Edition! You may be thinking to yourself "Why haven't I ever heard of this?" or "Who is Sean Hyland". Of course you have heard or Saleen, Cobra, and Roush edition Mustangs, and that's because there were a ton of these produced. There is a good reason for why you haven't probably ever seen or heard of this car. It's because there were only 15 of these cars produced in 2002. This particular mustang is serial number 10 and is the ONLY Black Convertible that was produced! Sean Hyland Motorsports is a company based out of ...
