**Description:** 

The background color is some kind of nice cool shade of pink with floral print really gorgeous set. The cushions are nice and firm but not hard as a rock good for all different kinds of back pain that we have seen our selves while we have owned it. Comfortable to kinda sit butvlay out across. They are in brand new style of condition, no tears, no holes no law marks and no animals have ever been on or around them.they go well with ist indoor decore and they have no stains of any kind on them.they werenteatin on or drank on haven't ad them a real long time but decided for us two of us we wanted recliners instead. Best way to communicate through the messaging on this site and texting me because ibdont check my e-m...
