Address: Brinkwood Road, Yeagertown, Pennsylvania, United States

Price: 16200.00 USD

Description:

selling my Porsche 911 S 6 speed manual, I purchased a little over a year ago from the original owner. I am the 2nd owner, purchased with around 11k miles currently 19,1xx miles on it currently. brand new hankook tires less than 500 miles ago, very clean inside and out, few scuffs on bottom of front bumper that have been touched up, i have 2 keys all books and manuals and original buyers order delivery paperwork and additional receipts. non smoker car, its still smells new. seat heater does not turn on, i was on the forums said it could be something that dealer needs to program back, battery was replaced told this may have caused it, haven't had time to bring to porsche to scan, no lights or anything weird just...
