Phone:

Address: 9th Court South, Swain, New York, United States

Price: 16100.00 USD

Description:

Selling my 2010 Cadillac CTS V. Raven black with Recaros seats and ultra view sunroof. I have invested a lot of money into this car. Custom built motor completed in Nov 2015, brand new transmission, custom CAM, KOOKs long tube headers 1/78. Port and polished heads, ID 850 injectors, Corsa exhaust, innovative west balancer with 8/60 pulley, 240 upper pulley, ice box track attack heat exchanger, Passport 9500 CI radar detector. All work was done by Tune Time Performance shop in Lakewood New Jersey. I have only put 2,000 miles on this build, car made 600 WHP on mustang dyno. Car is incredibly fast and has many more custom features that are impossible to list.
