Description:

My name is Mike and I've been in the Flooring installation and repairs bussines for over 20 years. If you need Carpet, Laminate, Hardwood or Vinyl installed or serviced please give me a chance to show you the savings and the top quality work that I do for all my customers. Trust, honesty and professionalism means the world to me and that's the only way I know how to do things. I can sell you the type of floor you are looking for through the wholesale companies I deal with by bringing you samples or by sending you there to deal with the professional staff who have thousands of samples in their showroom for you to choose from. If you have your own materials and you are in need of a proffesional to install them fo...
