Description:

This is an absolute flawless 1992 Bronco with 85,000 original miles. It is powered by the indestructible 4.9L 300 inline 6 with a manual 5 speed OD transmission. Absolutely NO oil leaks of any kind, nor any other fluid leaks at all. It is 100% stock with a 4" Rough Country suspension lift. The lift is brand new with new wheels and tires, 33x12.5x15. It has a recent new paint job. I have only had it since early this year but unfortunately need something stronger to pull my future 31 footer. It currently pulls my 24 foot Everglades without a problem. Since I've acquired it I have replaced the starter, battery, thermostat and fluids, fan clutch, fuel pump float, stereo and front speakers. All the common wear and t...
