Description:

I am selling my 1994, Jeep YJ Sahara, that is arguably the nicest YJ around. I still have the original seats and original center console that are wrapped in plastic in a climate controlled storage unit. I have included a picture of the seats. I removed the seats, and replaced them with the nicest bestop seats, because the original green fabric is impossible to find, and i wanted the ability to preserve them. It still has the original carpet, which can be seen in the pics, and I have the original floor mats. Has a new bestop soft top as well, and the windows have never been rolled up, and are wrinkle free As you can see from the pics, the tires on it are brand new, with less than 500 miles. I also have a bikini ...
