Phone:

Address: Gilmer, Texas, United States

Price: 24600.00 USD

Description:

This stunning restored Chevelle, finished off in stunning metallic grey paint and ghosted SS stripes, has less than 7,00 Miles since built. Features include a 510 HP 383 CI Stroker crate engine, with Comp Cams Energy hydraulic roller performance camshaft and matching lifters, a 700R4 4 speed automatic transmission, serpentine belt system, 650 CFM Holley carb, electric Holley fuel pump, MSD Electronic ignition, upgraded radiator with electric fans and Vintage AC plus much more. The upgrade top and bottom Hotchkis and Gforce cross members give this classic the feel of driving a modern car in the corners. The custom Exhaust system also features electric cutoffs, to dump the exhaust straight out the headers,for whe...
