Description:

Documented Investment Grade Collector cars are getting very hard to find but here is a nice documented 3 owner Shelby being offered for sale. 1968 Shelby GT350 Cobra Mustang Convertible, 1 of 214 four speed convertibles built. What makes it even rarer is it's 1 of 17 built with the factory 3.89 Ratio Rear Axles. This Shelby was the only one delivered to Pletcher Ford in Jenkintown, Pa. on 5/18/68. Note there has never been a front tag bracket installed since it was being delivered to PA. This Shelby retains it's original matching numbers 302 engine, 4-speed transmission and rear with 52,700 original miles, with original factory/dealer warranty book and original factory issued build sheet , keys and Deluxe Marti...
