Description:

Ford F-150 Platinum FX4 SuperCrew Ruby Red Metallic with Black Platinum Leather Interior This truck MSRP was \$ 61,785.00 new. I am the original owner and have owed it for one year (bought new Feb 2016). It has build date of late September 2015. It is in excellent condition and has every option. It is covered under Ford warranty until 2019. I have added many of the most popular accessories; all you have to do is drive! Never wrecked or abused, never off-road. The truck sets in my climate controlled garage year round. I didn't clean it just to list it, that is the way it is year round. It is waxed four times a year. If the weather is bad it doesn't get driven. I do not drive it for work so it is only driven on th...
