Description:

2001 Dodge Viper GTS 1 of ONLY 36, Red with Factory Silver Stripes!!! No accidents, all original paint, no paintwork or touch up, Clean Carfax(of course). Please look at the pictures, and you be the judge. This car is absolutely pristine. I know these Gen2 cars very well. And there are very, VERY few out there like this. Maybe none. The car has been stored properly. No rust or corrosion on the undercarriage bolts as many (even low mileage cars) have from age.This car is all original, the only change is a catback exhaust and smooth intake tubes. I have all original parts, exhaust, tubes,etc, that will come with the car. This can easily be undone if and when desired. I have both keys, both key fobs, original wind...
