Description:

2013 Tesla Model S P85+ in Excellent Condition – only 23K Miles! This is a 2013 Tesla P85+, which means it has the highest performance options sold that year. Grey exterior and black interior. Interior seats have red piping, and the dash has carbon fiber accents. It has almost all available options, including premium sound and the tech package, as well as the performance suspension and the faster motor. Zero to 60 in about 4.2 seconds. New price out the door with extras included was over \$115,000. Car is in excellent condition and ready for a new owner. I'm only selling because I've purchased a Model X. The car is in EXCEPTIONAL CONDITION and has LOW MILEAGE. Driven by a professional adult for commuting, never ...
