

free-classifieds-usa.com

Address: Fort Lauderdale, Florida, United States

Description:

This sturdy 360 Degree Rotating Bath/Shower Chair gives you more freedom to move in your tub or shower area, without the risk of a slip and fall. Shower chairs are used for those who have difficulty standing in the shower, such as the elderly, disabled individuals or those recovering from an injury. Featuring a 12" wide seat, anti-slip rubber feet, and durable aluminum frame. Chair height can be adjusted to meet your needs. Weight limit 300 lbs. Instruction sheet included for assembly. Gift box.
