Description:

Chevrolet 3100 Truck - Resto-Mod. Clean truck with beautiful buffed out patina paint on good sheet metal. Mechanically this truck is brand new. It has a professionally built 235ci motor w/ period correct 50's speed equipment. Lots of chrome and polished aluminum parts. It has a 5 speed T-5 transmission with an open drive shaft and an 8" Ford Rear-end. The front end is a "Fat Man" Mustang II IFS with disc brakes and dropped spindles. 2 sets of wheels and tires come with the truck for your desired look. New EZ wiring kit professionally installed. New vintage modern stereo. Needs a new sending unit for the gas gauge and a speedo cable that I haven't got to yet. E-Brake by Lokar. Engine – 1958 Chevrolet 235 .030 (a...
