Phone:

Address: Wolfe Street, Norco, California, United States

Price: 7800.00 USD

Description:

Fully loaded Lexus HS250h Hybrid Preferred and Technology Packages. 88,500 miles. Great condition, bought in 2013 Certified Pre-Owned and has been always dealer maintained, aside from oil changes. Toyo Tires have less than 10k miles on them and had the brakes done at the same time. Used as a commuter car only. A few things that makes this HS stand out from others is the expensive Technology Package. A few of the items are Dynamic Cruise Control which paces the car in front of you. Lane Keep Assist, keeps you in your lane even in slight turns. Front and Rear Cameras and parking sensors. Navigation with live traffic. Heads Up Display. Heated and Cooled seats. Satellite radio. The technology in this car is still c...
