Description:

Un-restored classic convertible. Perfect hassle-free collectible driver. NO overheating, NO wiring issues, NO cold/hot starting issues, NO smoking, NO A/C or Heat. Engine and transmission are numbers matching. Motor pulls strong and does not smoke or overheat even over 100mi drives or local traffic. I use Mobil 1 (15w-50) motor oil as this has a high zinc content to minimize engine wear - new owner can make his/her own choice but shows the engine can run fine with synthetic. No cold or hot starting gremlins which is amazing for this vintage engine design. Two pumps and clutch in to start; depress half gas for warm start per instructions. While the paint is over 30 years old, this is a stunning 10' car. Fiber gl...
