Description:

My car bought at Pacific Audi in Torrance. It has been garaged and pampered the whole time I've had it. I recently hurt my back and had to purchase a Range Rover sport to get in and out of more easily. I have all the service records, the original sticker both keys and the valet key and all the books. IT IS THE PRESTIGE 3.0T QUATTRO...It is the best and fastest and most luxurious S5 they make!!!! So please do a little research and you will see this is by far the best deal out there.
