Description:

Garage kept dream sports car with low mileage. I special ordered from Germany with manual transmission and fully loaded with all the packages. It's really fun to drive! My wife and I are starting a family so this car doesn't fit into the mix right now, but I'd buy this car again. Paid \$55,000 plus tax at dealer. I added the Magic Sky Control Panorama Roof: \$2,500 With the touch of a button, the sunroof changes from light to dark to allow sunlight in or not. Having a glass sunroof in a convertible is very rare and helps make the interior feel larger with the top up. The metallic blue exterior and black interior looks really sharp. The interior lights up at night with subtle red lines that make it feel sporty and ...
