Description:

Beautiful Black with Tan interior. A Low mileage car with only 11K miles, manual six speed transmission and has only seen rain once. Is always garaged, stored during the winter with a Porsche cover and Porsche battery tender that will come with the car. Maintained annually at the local Porsche dealership and is in excellent condition with no marks or blemishes anywhere inside and out. Never raced and driven only on nice days. Engine compartment is clean and like new. It has a 3M clear bra on the front bumper and along the quarter panels in front of the rear tires. The tires are new P Zero's which are the same as the factory. The wheels are made by Roderick and have been chromed, none other like it. The seats ar...
