Description:

2011 CTS V 2 Cadillac. supercharged Hennessey 650 upgrade custom build #93. Car is awesome, I have maintained it well and it has run on Pennzoil Ultra premium synthetic since I got it. best you can buy !! This thing is clean as a whistle and I would drive it to Montana and back tomorrow if I had to ! ultra reliable and an Extreme Head turner !! Car was bought in Tampa from a private seller with about 35k miles on it,. I Took it to Hennessey at 44K miles and it sits at 64K right now. Babied, garage kept, commuted with in and out of Houston and extremely well maintained / never drag raced, but sometimes shamelessly abused in traffic,... old man owner, gets a hair over 700 HP at the fly +/- 570 RWHP. Yes this was ...
